

RAVNEET KAUR

Graphic Designer | UX/UI Designer | Web Developer | Digital Media Professional

Professional Profile

Creative and detail-oriented Graphic Designer and Interactive Media Design student with hands-on experience in branding, web design, UX/UI design, digital content creation, and customer-focused retail leadership. Skilled in transforming ideas into engaging visual experiences through design thinking, user research, and modern web technologies.

Experienced in creating wireframes, personas, mood boards, style guides, promotional materials, and responsive website designs using industry-standard tools such as Figma, Adobe Creative Suite, Canva, WordPress, and modern web development technologies.

Recognized for strong leadership, communication, and problem-solving abilities through team leadership roles in retail environments while simultaneously managing academic projects involving UX research, website redesign, digital marketing, content creation, and front-end development.

PROFESSIONAL EXPERIENCE

June 2025 – Present | Team Lead | Bluenotes

Responsible for supporting day-to-day store operations while ensuring exceptional customer service and team performance.

Key Responsibilities
